

## **JHS PTO Meeting February 4, 2021**

**Members Present:** Staci Randall, Tracy Walker, Tracy Mertes, Andrea Gallimore, Marcie Simons

Meeting called to order by President Staci Randall at 7:02 pm

### **Welcome – President**

Asked Liz if they need PPE and she said not at this time; reached out to Student council Advisor and they are forming new committees for the semester and they will do a t-shirt committee; Denise Ostrander will do conference meals

### **Update on JHS – Report from Principal Woods as read by Staci Randall**

- 2021-2022 course registration process is starting. That will keep us busy for quite a while.
- Winter sports will begin post-season play soon. Lots of success for our winter sports so far.
- Still talking about a plan for prom. No plan in place but we know we want to do something but it won't be the typical large scale dance event. For sure want to make sure our seniors have something as they did not have a prom last year.
- Teachers are working hard to get vaccinated. Supplies are limited but we look every day to find openings. The district is trying to arrange an on site clinic but vaccine amounts make that tough.
- 1st semester grades are finalized. Was a longer process this year with all of the platform changes.

### **Secretary Report – Minutes from January 7, 2021 meeting**

- Minutes reviewed by Tracy Mertes
- Motion to approve with correction by Andrea Gallimore
- Second by Marcie Simons
