

JHS PTO Meeting January 8, 2021

Members Present: Tracy Walker, Staci Randall, Andrea Gallimore,

Meeting called to order by President Staci Randall at 7:02 pm

Welcome – President

- Student Council-Asked if they could help out. They are needing hours. Thought it would be great if they could help out during staff appreciation week.

Update on JHS – Report from Principal Woods as read by Staci Randall

- Our 1st semester ends on Tuesday, January 12.
- No comprehensive finals this year. Students may be taking unit tests but comprehensive finals will not be given, therefore we will not run our typical finals schedule.
- Winter sports are back up and running. We had a wrestling meet last Saturday and have our first basketball games Tuesday. Lots of new rules but glad the students have the opportunity to perform.
- We will begin registering students for classes for the 2021-2022 school year soon.
- We still deal with COVID on a daily basis. We continue to tweak our identification and communication when we have cases and exposures. Obviously we still need to discuss and decide about future events like Prom and Commencement. The future is very hard to predict right now.

Treasurer Report – Tracy Walker

- Monthly Report - Treasurer report presented by Tracy Walker
 - Motion to approve by Staci Randall
 - Second by Andrea Gallimore
 - Motion approved

Secretary Report - Tracy Walker subbed in for Tracy Mertes
